COMMUNICATION AND INTERPERSONAL SKILLS

Summary

I'm a **Senior Javascript Fullstack Developer**, in the IT industry since 2008, switched to freelance in 2016 and moved on to international projects through a Berlin based company in 2019.

I worked on projects from different companies and environments, including Media, Advertising, Fintech, Banking, Retail.

Skilled in the whole application development flow, from frontend to backend and CI/CD pipelines. Can't wait to find some spare time to work on my personal projects, especially publishing apps and games for mobile devices, experimenting with new technologies.

Experience:

- React: 6 years
- Javascript/Typescript: 10 years
- UI/UX Design: 10 years
- HTML/CSS: 15 years
- Rest API: 10 years

- Docker: 6 years
- Git/Github/Gitlab: 8 years
- Web admin dashboards: 10 years
